

Hi my name is Ben,
I am a bullying
ambassador and I
would like to introduce
you to the Lets Prevent
Bullying! programme by

KIDZ AWARE
EQUALITY INSPIRING EMBRACING
Creating Opportunities, Achieving Aspirations

Kidz Aware is a charity and not for profit social enterprise set up to help educate young children and support families of bullied and disabled children.

We do this by providing an educational life size puppet programme called **Lets Prevent Bullying!** The programme is a 30 minute presentation which is age appropriate and uses life size puppets. This is followed by interactive activities such as quiz's and various scenarios etc.

In addition to this:

- Children receive a **Free** bookmark
- **Free** School information manual
- **Free** CD of music used within the presentation
- Certificate of attendance

All this is backed up with an offer of advice and training courses that schools can access for their staff members if required.

The programmes have been seen by over 6,000 children across Yorkshire and Humberside and have had excellent feedback from schools.

If you would like further information or would like to book a presentation please either fill in the booking form or contact Kidz Aware by:

Calling **01924 385 977** or email info@kidzaware.co.uk
